

Spring Term 2025. St Agatha's RC Primary School (StAGs)

Tuesdays after school until **4.15pm** 14<sup>th</sup> January to 25<sup>th</sup> March 2025.

Dear Parents,

The Chess Club begins again on **14<sup>th</sup> January 2025** for 10 weeks from **3.15-4.15pm**. With **limited places** available, open to **Y2-Y6** only of **any standard** on a **first-come-first-served basis**.

Chess is a fun game. It **improves** concentration, memory, cognitive thinking and calculating ability. It also **develops** analytical skills, training the mind to **plan ahead**. They will learn from their losses and become more **resilient** and how to stay **calm under pressure**. You will see your child grow in confidence as they progress.

**We play and learn about strategy and tactics together**

**This Spring Term we will be entering all the children into the [UK Chess Challenge](#) - 70,000 kids nationwide take part. Last year St Agatha's achieved an incredible eight Giga Finalists! Three represented Surrey in U11 County Finals.**

Our names are Mark & Hilary Hogarth. We are very experienced Chess teachers. Mark is also a Junior Chess County selector/coach, England Senior International and qualified Chess Arbiter. Complete beginners are **taught from scratch** until ready for assimilation into main group which covers Openings/middlegame strategy/basic endgames & mating patterns.

County U11 Chess Selector • England Senior Team Player • National Chess Arbiter • managed nationally/internationally

Whilst working at **Goldman Sachs** I also successfully pioneered Chess Partners as part of the Tower Hamlets Education Business Partnership a Charity, teaching Primary School kids in London's East End.
