

Lunchtime French Club

Whether you are planning a trip to France or wish to prepare your child for French at secondary school, lunchtime French Club provides French tuition in an accessible, interactive, and fun way.

French Club runs in the Summer term for 9 weeks starting on Thursday, 1 May, as follows :

For Years 3 - 6 : Thursdays, 12.15 – 12.45, in the Junior building.

In French Club there is an emphasis on **spoken French**, to develop confidence in the language. The club is for children with no prior knowledge of French, together with returning children. For year 5 and 6 children, French Club prepares for year 7, when there will be an emphasis on spoken French from the start.

The fee is **£54.00** for 9 lessons, starting on Thursday, 1 May.

A French Club book which covers the whole French course for the school year is available for an additional £7.00. The “cahier” backs up the French covered each week and makes it easy to see what your child is learning, with each page corresponding to one lesson in the French Club. The book is designed for home use, as we concentrate in the club on speaking and listening. If your child has a book already, you don't need to buy one in the Summer term, as the book covers the whole school year.

To enrol, please send an email to the address below, giving your child's name, class and any allergy/educational/medical information. I will then confirm your place and provide payment details. Places are allocated on a first come, first served basis.
